

Dog Owner's CHEAT SHEET

01

FEEDING

Choose a high-quality dog food that is appropriate for your dog's age and size, feed the recommended portions, always provide fresh water, and avoid feeding harmful foods such as chocolate, grapes, or onions.

02

TRAINING

Utilize positive reinforcement techniques, teach essential commands, ensure proper socialization, and maintain patience throughout the training process.

03

EXERCISE

Provide daily exercise to keep your dog physically and mentally stimulated, take regular walks, engage in playtime activities like fetch, and consider your dog's energy level when determining exercise needs.

04

HEALTH CARE

Schedule regular veterinary check-ups for vaccinations and preventive care, stay updated on flea, tick, and heartworm prevention, monitor your dog for signs of illness or discomfort, and keep a first aid kit for emergencies.
